Amtelco Secure Messages iOS® Mobile App

Major/minor version: **7.0.11**

Revision History

Revision: **7.0.11.579**

Status: **General Release** [02/02/2026]

Changes: Resolved an issue where messages were unable to be open and viewed on the Apple Watch if the account was configured for Single Sign On.

Adjusted the New Message screen to clear text and remove the focus from the search field after a contact is selected.

Resolved an issue where notifications would stop working after backing up and transferring data to a new iPhone if the user belonged to a Single Sign On group.
